Here are the rules to  
solving the mystery . . .

PICROSS

1  
5 5 1 3 3

BUTTON

START

PICROSS

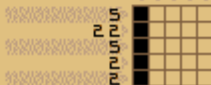

MENU

The numbers above the  
**columns** tell you how  
many boxes you need to  
chisel in the downward  
direction.

PICROSS

5 5 1 3 3

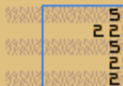

**This one** is a 5, so you will need to chisel in 5 consecutive boxes.

PICROSS

MENU

The numbers on the left  
of the rows tell you  
how many boxes you  
need to chisel in the  
left-to-right direction.
